### Collection of Tax File Numbers

Your employer may already have provided your Tax File Number (TFN) to Integra Super. If not, we are required to tell you the following details before you provide your TFN. Your TFN is confidential and you should know the following before you decide to provide it to us:

- The Trustee is authorised to collect your TFN under the taxation and superannuation laws.
- If you do provide your TFN to us, we will only use it for legal purposes. This includes finding or identifying your superannuation benefits where other information is insufficient, calculating tax on any superannuation payment you may be entitled to and providing information to the Commissioner of Taxation such as reporting details of contributions, for the purposes of the government co-contribution, lost member reporting and monitoring of contribution caps.
- If you do provide your TFN to us, we may provide it to the trustee of another superannuation fund or a Retirement Savings Account (RSA) provider where the Trustee or RSA provider is to receive your transferred benefits in the future.
- We will not pass your TFN to any other fund if you tell us in writing that you do not want us to pass it on.
- Your TFN will be treated as confidential.
- We may quote your TFN to the Australian Taxation Office when reporting details of contributions for the purposes of the government co-contribution and lost member reporting.

You are not required to provide your TFN. Declining to quote your TFN is not an offence. However, if you do not give us your TFN, either now or later:

- We may not be able to accept non-concessional contributions and you may be liable to pay additional tax on concessional contributions.
- You may pay more tax on your benefits than you have to (you may get this back at the end of the financial year in your income tax assessment).
- It may be difficult to locate or amalgamate your superannuation benefits in the future.

The purposes for which we can use your TFN and the consequences of not providing it to us may change in the future as a result of changes to the law.
