Important information – ANZ acquisition of ING Australia Limited

ING Australia has been helping Australians grow and protect their wealth for over 120 years and is one of Australia's leading fund managers, life insurers and superannuation providers.

From May 2002 until late 2009, ING Australia operated as a joint venture between Australia and New Zealand Banking Group Limited (ANZ) and the global ING Group (ING). ANZ recently purchased all of ING's shareholding in ING Australia, and now owns 100% of the company. ING Australia now operates as ANZ's Australian specialist wealth management and protection business.

Although ING Australia is now owned by ANZ, we have a licence from ING to continue to use the ING brand for a period while we transition to a new brand – expected to be by late 2010. We will work to make this transition as smooth as possible and minimise disruption for our customers.

During the transition there are likely to be changes to the names of companies, products, investment funds and investment options that are operated by ING Australia and its subsidiaries. Information about these changes and other transition updates will be made available via regular investor communications and the ING website at www.ing.com.au. You can request a paper copy of any updated information at any time. This information will be provided free of charge by contacting Customer Services on 133 665.

ING Custodians, the issuer of each product, is a subsidiary of ANZ. ANZ is an authorised deposit taking institution (ADI) under the Banking Act 1959. The issuer is not an ADI. Except for:

- the issuer as described in the relevant PDS and at law
- ING Life Limited in relation to any Master or Group Life policy
- ANZ in relation to investments in ANZ bank accounts.

An investment in the relevant product is neither a deposit nor liability of ANZ or any other member of the ANZ Group; and neither ANZ nor any other member of the ANZ Group stands behind or guarantees ING Custodians or the capital or performance of any securities issued to, or assets held by, you.

Your investment is subject to investment risk, including possible delays in repayment and loss of income and principal invested.

Information about these changes and other transition updates will be made available via regular investor communications and the ING Australia website at www.ing.com.au
