About the awards

The scores used by Chant West to derive the ratings are subjective scores that have been awarded based on data (including historical financial performance information) supplied by third parties. While such information is believed to be accurate, Chant West does not accept responsibility for any inaccuracy in such data. Past performance is not a reliable indicator of future performance. The Chant West rating does not constitute financial product advice. However to the extent that the information may be considered to be general financial product advice then Chant West warns that: (a) Chant West has not considered any individual's objectives, financial situation or particular needs; and (b) individuals need to consider whether the advice is appropriate in light of their goals, objectives and current situation.
