### Fee guide

This is a guide to fees that may apply to your variation request:

Variation Fee (not applicable for Orange Advantage account holders)	\$250
Valuation Fee (see point 3 below)	\$225
Orange Advantage Annual Fee	\$299

1. Additional legal costs/government charges may be payable for loan variation requests.
2. Unless we tell you otherwise, fees are due on or prior to settlement and are non refundable. The valuation fee is payable even if the variation does not proceed.
3. A valuation fee, usually \$225 per property (incl. GST) may apply, subject to the date of previous valuation and overall loan-to-value ratio. A higher fee may apply dependent on the value and location of the property. This fee is non refundable and payable even if the variation does not proceed (ING DIRECT will waive the first valuation fee where a customer applies for or holds an Orange Advantage loan for variation requests).
4. There may be other fees associated with your loan variation, such as Lenders Mortgage Insurance. These fees will be payable on or prior to settlement.
5. The first annual fee on your Orange Advantage, payable in advance, will be debited as per Section G of this form. The second and subsequent annual fee will be debited from your linked Orange Everyday on each anniversary of the settlement date of your Orange Advantage.
6. If you repay a portion or all of your fixed rate loan early, break costs may apply. Break costs may be substantial. You should contact us for an estimate, or the amount, of break costs if you are considering making a payment or asking us to change your loan type or fixed interest rate period.

**Declaration**

I/We have completed or arranged for completion of and read and understood the particulars set out in this form and declare them to be true and complete. The representations have been made to ING DIRECT to enable it to determine whether or not to approve my/our loan variation request and I/we understand and acknowledge that ING DIRECT is relying on the information provided by me/us in this form in determining whether to approve my/our loan variation request.

I/We hereby authorise ING DIRECT to make any other enquiries relative to this loan variation, which it considers necessary. I/We also understand that this form does not in any way constitute an offer to lend or vary my/our loan contract.

Despite any representations which may be made to us by any person, I/we understand and acknowledge that ING DIRECT is not bound to approve this loan variation request, and is not to be treated as having approved this loan variation until I/we receive a Letter of Offer/Loan Variation Confirmation from ING DIRECT confirming approval of the loan and listing the approval conditions, if any. I/We understand that no loan can settle until those conditions have been met.

Where the borrower is a company, it authorises each director of the company named as an authorised signatory on the "Authority to Operate" form to operate its loan account in all respects as if they were a borrower under the loan. This authority does not extend to the authorised signatory amending or revoking this authority or authorising other persons to operate the loan account (in which case all authorised signatories must agree). This variation request is executed below in accordance with the constitution of the company by two directors/a director and the secretary/the sole director and sole company secretary (as applicable) of the company.

I/We understand that ING DIRECT does not express an opinion as to the viability of any investment that may be the subject of this loan and does not accept any liability in respect of any loss or damage, I/we may sustain as a consequence of:

- a) the failure of the investment to perform as expected or,
- b) a change in my/our circumstances.

I/We understand that I/we may be required to pay a non-refundable valuation fee at the time of my/our application using the payment method set out in Options 1, 2 and 3 under section G.

I/We understand that fees and charges will apply (these fees and when they are payable will be set out in any Loan Offer/Loan Variation Confirmation that you give me/us).

To the best of my/our knowledge and belief, all the information given in this form is true and correct.
