Entity foreign tax residency self-certification form

About this form

Commercial and business customers must complete this form to ensure we hold accurate and current information about your foreign tax residency. This form is for businesses, trusts, charitable institutions, government entities, not for profits and partnerships only - no sole traders or individuals.

Please return to

customerresolutions.au@ing.com

Why this form must be completed

Australia has enacted laws committing to global standards on the automatic exchange of financial account information - commonly known as the Common Reporting Standard (CRS) and Foreign Account Tax Compliance Act (FATCA).

Under these laws, financial institutions must identify where an account holder is a resident for tax purposes, and report information about financial accounts of foreign tax residents to the Australian Taxation Office (ATO). Tax authorities in participating countries may then exchange this information with each other.

The purpose of the standards is to give participating nations transparency about the financial assets that their residents hold offshore.

If we don't receive your form

As we're bound by legislation, we may be required to treat you as a tax resident in a country outside of Australia (even if you aren't) and report the relevant details to the ATO. If you intend to open a new account, we won't be able to do this for you.

Where to find more information

- Visit the ATO website - ato.gov.au/crs
- Speak with a professional tax adviser
- See the CRS and FATCA FAQs and glossary - ing.com.au

If you're an individual

Individual foreign tax residency self-certification form

About this form

Individuals banking with us must complete this form to ensure we hold accurate and current information about your foreign tax residency. This form is for personal banking customers, sole traders, guarantors and controlling persons of an entity.

Please return to

customerresolutions.au@ing.com

Why this form must be completed

Australia has enacted laws committing to global standards on the automatic exchange of financial account information – commonly known as the Common Reporting Standard (CRS) and Foreign Account Tax Compliance Act (FATCA).

Under these laws, financial institutions must identify where an account holder is a resident for tax purposes, and report information about financial accounts of foreign tax residents to the Australian Taxation Office (ATO). Tax authorities in participating countries may then exchange this information with each other.

The purpose of the standards is to give participating nations transparency about the financial assets that their residents hold offshore.

If we don't receive your form

As we're bound by legislation, we may be required to treat you as a tax resident in a country outside of Australia (even if you aren't) and report the relevant details to the ATO. If you intend to open a new account, we won't be able to do this for you.

Where to find more information

- Visit the ATO website – ato.gov.au/crs
- Speak with a professional tax adviser
- See the CRS and FATCA FAQs and glossary – ing.com.au
