## Fee Rebate offers

### Eligibility Criteria

The Fee Rebate offers set out below will apply to your Orange One account for the next calendar month when you perform the following during the current calendar month:

- deposit at least \$1,000 from an external source to any personal ING account in your name (excluding Living Super and Orange One); and
- make at least 5 card purchases that are settled (and not at a 'pending status') using your ING debit or credit card (excluding ATM withdrawals, balance enquiries, cash advances and EFTPOS cash out only transactions).

Card purchases includes in store credit or EFTPOS purchases, online purchases, regular card payments, payWave, Apple Pay, and Android Google Pay transactions made with an Orange Everyday Visa card, Orange One or Orange One Platinum Visa card or Nil Interest Visa card provided with an eligible ING home loan. When using the phrase 'settled' card purchases in a month, we mean that the purchases made on your card must be fully processed by the end of the last day of that month. Card purchases made in store or online this current calendar month which are at a 'pending status' and do not settle until the next calendar month do not count towards the 5 card purchases needed this current calendar month.

If eligible, the offer applies to all accounts held in your name (including in respect of any additional cardholder). When determining if you are eligible under the offer, we also take into account the behaviour of any of your joint account holders or additional cardholders.

If you hold an ING Home Loan, you do not need to meet the eligibility requirements set out above. You are automatically eligible for the Fee Rebates offers set out below.

ING can change or withdraw this offer at any time with notice.
